

# Ralph's Coffee Mooncakes

## Mooncake Flavours

Ralph's Coffee presents mooncakes inspired by their signature drinks: Coffee and Chocolate Raspberry. Presented inside the compartment, made and baked to oozing decadence.

Each set of mooncake will contain 6 pieces of mooncakes, 3 of each flavour.

## Packaging Design - The Ralph's Coffee Express

Featuring a posh design in the form of a classic steam locomotive, taking exquisite craftsmanship and materials up a notch. The train design symbolizes Ralph's Coffee's journey from New York to Asia, traveling across diverse cultural landscapes. Inside the gift box is a train in the iconic green-white colourway, where the adorable Ralph's Coffee BEAR-ista greets you with a warm welcome. The train is a perfect decorative to remind everyone of the festive memories.
